Bio

I am very used to working in high pressure environments and have always done so as a film-maker, editor and sound engineer. I am eager to always learn techniques and edit processes to suit the team I'm working with and push myself to produce the highest quality content.

References

-Laurie Laird. Contributor BBC London Radio, BBC World. laurielaird@btinternet.com

Emmett brings a great attitude to the news room and is an absolute pleasure to work with. He shows great creativity and flair in his editing, and functions extremely effectively under tight deadlines.

-Andra Heritage. Executive Producer. Andra.heritage@blinkfilmsuk.com

Emmett is fantastic to work with. He's highly creative, really cares about the end product and always brings something extra to the mix.
